Subject: Peter Street Signs

[REDACTED]
I will be on site in the morning to confirm sign locations and will provide this information before midday tomorrow. I've now spoken with [REDACTED] and we require another sign (x 4) to be manufactured and erected by Friday. Additionally all other signs along the section of shared loading / parking bays be removed.

I understand it's a little late in the day but getting these up by Friday will allow the parking bays to be enforced this weekend. If you have any concerns or don't think you can manufacture and erect the signs in time please give me a call and we'll discuss the best way forward.

Regards
