Subject: Peter Street - Night Time Economy

[REDACTED] and I have been brainstorming potential text markings for the parking / loading bays along Peter Street and have the following initial options:

- 1: DAYTIME PARKING / NIGHTTIME LOADING ONLY
- 2: LOADING ONLY 6PM - 8AM
- 3: PARKING ONLY 8AM - 6PM
- 4: PARKING ONLY 8AM - 6PM LOADING ONLY 8PM - 6AM
- 5: PARKING ONLY 8AM - 6PM LOADING ONLY 8PM - MIDNIGHT AND MIDNIGHT - 8AM

We prefer no. 1 as it is simple but provides clear information. Are there any other options which you feel may be effective?
