Subject: Peter Street Nighttime Economy

[REDACTED]  
As discussed we require the temporary Traffic Regulation Orders along Peter Street to be renewed. However, the shared pay and display / loading bay along the northern side of Peter Street requires the time periods amending.

The length of this TRO is identical to the previous. However, the operational hours of the loading bay are to be amended from the existing Mon - Sun 6pm - Midnight and Midnight - 8am to the proposed Friday - Sat 6pm - Midnight and Sat - Sun Midnight - 8am

All other temporary TRO's should be re-implemented as previously. I will provide drawings of the amendments to signs this afternoon as well as passing these onto the sign shop for manufacture. Do you have a contact at the sign shop or should I go through [REDACTED]

Regards
