Subject: Peter Street Signs

[REDACTED]

As we discussed on Thursday we are amending the existing waiting and loading restrictions along Peter Street. The attached pdf shows the new sign required to be made and installed before next Friday (16th March). I will provide locations where the old signs need to be replaced with the new ones early next week.

If you have any concerns over meeting this timescale please do not hesitate to give me a call as soon as possible.

Regards
