Our Reference: FOI 6297 – follow up questions and answers

Date: 5 April 2016

Dear Ms Atkinson,

Our answers to your follow up questions requested on 23 March are detailed below.

1. Could you explain in what way is human trafficking part of the Prevent agenda? You wrote: "Our training does not deal separately with human trafficking as the topic is considered to be part of the Safeguarding/Prevent agenda."

Prevent is part of the Safeguarding agenda, as is Human Trafficking.

2. How long does the safeguarding training received by non-clinical front-facing staff take?

One hour for Safeguarding Adults plus one hour for Prevent training.

3. How often is the 'regular refresher'?

Every three years.

If you feel your enquiry has not been dealt with appropriately, please refer any complaints to the Trust communications department, which will initiate an internal complaint procedure. Complainants who remain dissatisfied with the Trust at the end of the internal complaint procedure have the right to take their complaint to the Information Commissioner.

The Information Commissioner's Office address is: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF.

Alternatively, you can call the ICO helpline on 0303 123 1113. For further information, please visit the Information Commissioner's website at: www.ico.org.uk

Yours sincerely,

Julie Morgan-Walters
Communications Officer
