

Requested information:

Thank you for publishing your spend data here:

<https://www.bathnes.gov.uk/services/your-council-and-democracy/data-protection-and-freedom-information/transparency/expenditure>.

However, I notice that you haven't published any spending data since December 2020.

We understand that due to the COVID-19 pandemic it may not have been a priority to publish your spending data. However, we strongly believe that the spending data is critical to understanding how Government functions and this data is vital for our work. We would be extremely grateful if you could update this information as soon as reasonably possible.

We've decided to continue to use the FOI process to request data as this gives us both a formal structure for making and responding to requests. So, I'd like to make a request under the Freedom of Information Act for all transactions over £500 from January 2021 to at most a quarter in arrears from the date at which you publish in response to this request.

Response:

Our expenditure over £500 datasets have recently been updated. Please refer to the following page of the Council's website:
