Dear Spend Network

### **Freedom of Information Act 2000**

Thank you for your information request, received on 4 November 2021.

You requested the following information:

*Thank you for publishing your spend data here: <https://www.islington.gov.uk/search?q=expenditure+for&via=docs&sortOrder=datedsc> . However, I notice that you haven't published any spending data since February 2021.*

*We understand that due to the COVID-19 pandemic it may not have been a priority to publish your spending data. However, we strongly believe that the spending data is critical to understanding how Government functions and this data is vital for our work. We would be extremely grateful if you could update this information as soon as reasonably possible.*

*We've decided to continue to use the FOI process to request data as this gives us both a formal structure for making and responding to requests. So, I'd like to make a request under the Freedom of Information Act for all transactions over £500 from March 2021 to at most a quarter in arrears from the date at which you publish in response to this request.*

### **Our Response:**

**Information on council expenditure is made available at the following link.**

**This link was last updated in July and the next update is due to take place this month. Information intended for future publication is exempt under Section 22 of the Freedom of Information Act.**

If you are not satisfied with the way in which your request has been handled or the outcome, you may request an internal review within two calendar months of the date of this response by replying to this email.

If you are still dissatisfied with the Council's response after the internal review you have a right of appeal to the Information Commissioner at:
