Dear Mr Wilde,

Thank you for your further enquiry which we received on 24 July.

The following link shows the latest Tree Preservation Orders as of May 2017.

We appreciate that this is not downloadable, but may be helpful in the interim. The information held on data.gov is out of date for which we apologise.

As explained in the original response, we do intend to provide a catalogue of TPOs that we will be made available, but I am unable to give you a date by when this will be completed.

Your rights to complain were explained in our earlier letter.

Yours sincerely,
