TRIANGLE FIELD, HUNGERFORD – ALTERATIONS TO BUILDING

I attach a copy of the plan, which I have recently received.

Whilst I have not yet had a formal request for alteration, I am expecting one shortly from Hungerford Town Council.

As they are our tenants and the new store will obviously be subject to planning, this is a pre-emptive notice of a pending request to prepare a licence for alterations.

If you have any queries please get back to me. In addition if the Town Council get in touch directly please let me know.
