Dear Mr Smith,

Your request was received on 20 March 2019 and I am dealing with it under the terms of the Freedom of Information Act 2000 ('the Act').

You asked:

I am writing to request the interview and CSAT scores of 2019 applicants for Trinity Hall College. Please also include: the predicted grades and A level/IB subjects taken, whether they were successful in getting an offer or not and what country they are from (if this part is not possible please just indicate whether they were a uk applicant or not).

Most of the requested information, insofar as it is held, has been disclosed in response to a request from a different individual (our reference FOI-2019-161) and is publicly available at https://www.whatdotheyknow.com/request/computer_science_csat_and_interv_4

The information about UK/non-UK is attached. Please note that the attached document should not be copied, reproduced or used except in accordance with the law of copyright.

If you are unhappy with the service you have received in relation to your request and wish to make a complaint or request an internal review of this decision, you should contact us quoting the reference number above. The University would normally expect to receive your request for an internal review within 40 working days of the date of this letter and reserves the right not to review a decision where there has been undue delay in raising a complaint. If you are not content with the outcome of your review, you may apply directly to the Information Commissioner for a decision. Generally, the Information Commissioner cannot make a decision unless you have exhausted the complaints procedure provided by the University. The Information Commissioner may be contacted at: The Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF (<https://ico.org.uk/>).
