Dear Mr Sundeep

Your Freedom of Information request response

Thank you for your request for information received by the Charity Commission 2 May 2022. Please accept my sincere apologies for the length of time it has taken to respond. You asked:

“Would you kindly send me a copy of the Trust Deed for ST MARY'S COLLEGE, BITTERNE PARK, SOUTHAMPTON, charity number 307286”

We have treated your request as a Freedom of Information Act request.

I confirm the Commission holds this information. Please find a copy of the Trust Deed attached to this email. Please note personal data has been redacted in accordance with s40(2) FOIA. This exemption means that the Commission must not disclose personal data in response to a FOIA request if disclosing the information would be contrary to data protection legislation.

The s.40(2) exemption applies to personal data of individuals. In accordance with data protection legislation, we have considered whether it would be lawful, fair and transparent to disclose the relevant personal data (this is a legal requirement at Article 5(1) of the UK GDPR).

We have concluded that disclosure of the requested information would be unfair because the relevant individuals would have no expectation that their personal data as contained in the requested information would be disclosed to the world. We therefore consider that processing would breach the fairness requirement in Article 5 (1) of the UK GDPR.

As we consider that disclosure would be unfair, it is not proportionate for the Commission to consider further the other requirements in Article 5.
