FOI Ref: 2018/545394

Can you please provide me with a full list of trust funds which are under the sole responsibility of East Lothian Council.

I would also like to request:

The current value of each fund, including balance and assets;

The number which are active;

Of the active funds a list of the amounts paid out over the last five years by year.

We have 45 active trusts under sole responsibility of East Lothian Council-see 2nd PDF.
