Dear Mr Dowden

Your communication dated 31.07.10 is considered to be a request for information under Freedom of Information Act 2000.

Please find below the information requested regarding the geographic extent of UK internal waters as defined by the UN convention of the law of the sea.

Our main areas of internal waters around the UK are illustrated on our web site at:

<http://www.ukho.gov.uk/ProductsandServices/Services/Documents/UK%20Territorial%20Sea%20Limits.pdf>

The dark blue areas are the main areas of internal waters on the map.

If you are unhappy with this response or you wish to complain about any aspect of the handling of your request, then you should contact me in the first instance. If informal resolution is not possible and you are still dissatisfied then you may apply for an independent internal review by contacting the Director of Information Exploitation, 6th Floor, MOD Main Building, Whitehall, SW1A 2HB (e-mail: CIO-XD@mod.uk). Please note that any request for an internal review must be made within 40 working days of the date on which the attempt to reach informal resolution has come to an end.

If you remain unhappy following an internal review, you may take your complaint to the Information Commissioner under the provisions of Section 50 of the Freedom of Information Act. Please note that the Information Commissioner will not investigate the case until the internal review process has been completed. Further details of the role and powers of the Information Commissioner can be found on the Commissioner's website, <http://www.ico.gov.uk>

Yours sincerely
