Dear Samira,

Request for information under the Freedom of Information Act 2000 ("the Act")

Further to your recent request for information held by King's College London, I am writing to confirm that the requested information is held by the university.

Your request

We received your information request on 16 September 2019 and have treated it as a request for information made under section 1(1) of the Act.

You requested the following information:

I would like to request the following data relating to all law courses (i.e. both the single honours LLB or BA and any joint honours law courses) offered by your university.

I am requesting the data for candidates who received offers for one of the aforementioned law courses in the 2017/2018 and 2018/2019 admissions cycles (I refer to these candidates as 'the offerholders').

If the data for 2018/2019 is not available for whatever reason, please provide it for 2016/2017 (I am looking for at least two admission cycles' worth of data, in order to ensure that it is reliable).

I request the following data for each admissions cycle:

- 1. The total number of offerholders for the aforementioned law courses.*
- 2. The number of offerholders who were either planning to complete or had completed BTECs as their most recent qualification.*

3. The number of offerholders who were either planning to complete or had completed a Higher National Diploma ('HND') or Higher National Certificate ('HNC') as their most recent qualification.

4. The number of offerholders who were either planning to complete or had completed an Access to Higher Education diploma as their most recent qualification.

5. The number of offerholders who received offers while planning to resit their A-levels. (These individuals will show up on your system as having completed one set of A-levels already, with predictions for at least one other A-level).

Our response

Year	Total Offer Holders	BTEC	HND or HNC	Access to HE Diploma
2017/18	1012	2	0	9
2018/19	994	0	0	10

Please note:

This data is for all undergraduate law programmes combined.

The data shows how many applicants received offers with the above qualifications listed as their most recent, or joint most recent, qualification.

We do not keep specific data on whether students have retaken A-level exams within our records.

This completes the university's response to your information request.
