Our Ref: 2017-846

28 March 2017

Dear Raymond Dobson,

Thank you for your Freedom of Information request received on 3 March 2017.

You asked:

“Since the introduction of UniversalCredit id like to know the TOTAL AMMOUNT that all sanctions nationwide has accumulated to”

Please note that the intention of sanctions is to encourage people to engage with the support being offered by Jobcentres by making it clearer to claimants what they are expected to do in return for their benefits. Sanctions are a necessary part of the benefits system. The overwhelming majority of benefit claimants take up the jobs support we offer, with a small minority facing a sanction for not doing so.

In response to your query we can confirm that we hold information falling within the description specified in your request. However, we estimate that the cost of complying with your request would exceed the appropriate limit for central Government, set by regulations at £600. This represents the estimated cost of one person spending 3½ working days in determining whether the Department holds the information, and locating, retrieving and extracting it.

Under section 12 of the Freedom of Information Act the Department is not therefore obliged to comply with your request and we will not be processing it further.

If you have any queries about this letter please contact us quoting the reference number above.

Yours sincerely,

DWP Central Fol Team
