Update

1. It has always been our intention to require some claimants to register with Universal Jobmatch and create a profile and CV to assist their job search.
2. However, before we can do this some changes need to be made to the service and until these changes are made you **must not** issue any further Jobseeker's Directions to require JSA claimants to register with Universal Jobmatch until further notice.

Urgent Action Required:

Advisory Service Teams

- Continue to encourage claimants to use Universal Jobmatch and stress its importance as part of Actively Seeking Work by including within the Jobseeker's Agreement.
- Do **not** issue Jobseeker's Directions until further notice.

- When following up a Jobseeker's Direction with a claimant, cancel the direction and explain why using the embedded lines to take.
- If known, details of any claimants who have already been sanctioned as a result of refusing to create a profile and CV in Universal Jobmatch must be urgently emailed (marked as RESTRICTED – UJ PERSONAL DATA) to the [Employer Vacancies and Submissions Team](#) inbox.

Labour Market Decision Makers

- **Cancel any outstanding Universal Jobmatch related Jobseeker's Directions that are awaiting a decision.**
- If known, details of any claimants who have already been sanctioned as a result of refusing to create a profile and CV in Universal Jobmatch must be urgently emailed (marked as RESTRICTED – UJ PERSONAL DATA) to the [Employer Vacancies and Submissions Team](#) inbox.
