Update

- UJ MI Reports (Follow Me Flag)** - When a jobseeker creates an account a tick box is available where the Jobseeker authorises DWP users to view their account.

It has been identified the UJ service was filtering incorrectly and 'under reporting' the true numbers of those Jobseekers authorising DWP to view their account.

A 'fix' was implemented on 17 December and the volumes reported should now be true.

Thank you -

(Universal Jobmatch Project Manager) and would like to thank for all the support and hard work you've put in to help us get through the transitional period for UJ.

Please enjoy the festive season with your friends and family.

Seasons Greetings to you all and Best Wishes for 2013
