For the attention of
Mr D Roberts

Dear Mr Roberts

Request for Information - Freedom of Information Act 2000 (FOIA)

I write further to your e-mail of the 3rd May 2017 where you made the following request for information:

Could you please provide information unmetalled roads with vehicular access, such as ORPAs, White Roads and UCRs.

If available, could you please provide the information as KML, Shape or CSV format with parish name, parish number, unique track reference/usrn number and grid coordinates including waypoints for the tracks?

The Council's response to your request is as follows:

Further to your request, I do not have the required licences from Ordnance Survey to release our Public Rights of Way as GIS data. However, I can inform you that we have a representation of our definitive map which can be found on our web map site at the following location:

<http://www.bury.gov.uk/index.aspx?articleid=11359>

We do not use the terms you have given to describe them, though I assume you may be interested in Byways Open To All Traffic (BOATS). Bury has 14 individual BOATS with a combined length of 6.5km. However, they tend to be isolated within the highway network and do not form a connected network.

I trust this answers your request.

If you are dissatisfied with the handling of your request, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to:

FOIA Reviewing Officer
Bury Council
Knowsley Street
Bury, BL9 0SW

Electronic or fax service of Legal documents is not accepted

3 Knowsley Place, Duke Street, Bury, BL9 0EJ

Should you further disagree with the decision following the appeal you may wish to contact the Information Commissioner's Office:

For transparency purposes, it is now the Council's policy to advise on the costs of dealing with each Freedom of Information request. Please note that to deal with this request it has cost the Council £25.00.

Should you have any queries regarding this, please contact me on the number above.

Yours sincerely
