Dear Mark Jasby,

Re: FREEDOM OF INFORMATION ACT (FOI) 2000 RESPONSE

Thank you for your request for information of 19th August. You have requested the following:

I would like to receive details of all consented affordable housing units, which were initially secured via the S106 legal agreement, which have or will subsequently not be delivered due to the developer being unable to secure a Registered Provider to acquire the affordable housing units.

This may take place in a number of ways including a variation of the S106 and/or a clause within the S106 which cascades the affordable housing contribution to a Payment in Lieu.

Please kindly provide numbers per annum.

All affordable housing units secured via a S106 agreement have been maintained as affordable as per the legal agreement. There has been one development in 2011 where two affordable housing units are yet to be purchased by a Registered Provider.

The response to your request has been dealt with under the Freedom of Information Act 2000.
