Dear Mr Ponting,

REQUEST FOR INFORMATION UNDER THE FREEDOM OF INFORMATION ACT 2000

Thank you for your emails of 28th November 2018 and 2nd December 2018, pursuant to the Freedom of Information Act 2000, I can now respond to your request below:

As you are the PCC and have an overview of all financial transactions, I am asking for a copy of the bill of sale, correctly dated for the £1,500 payment from the North West Blood Bikes. This should reflect in the financial records of both Lancashire constabulary AND North west Blood Bikes.

I confirm that under the Freedom of Information Act 2000, Section 14(2) states: that where a public authority has previously complied with a request for information which was made by any person, it is not obliged to comply with a subsequent identical or substantially similar request from that person, unless a reasonable interval has elapsed between compliance with the previous request and the making of the current request. Therefore we intend to rely on this exemption for your FOI request.

For clarity, you have previously (19th September 2018) sought the financial records for the transactions, which has been responded to.

If you have any queries regarding the information provided, please contact me in the first instance for assistance.

If you are dissatisfied with the response and wish to appeal, please write to the address below setting out your reasons within 21 days of receipt of this letter and your request will be dealt with through our internal review procedure:-

Ian Dickinson
Police and Crime Commissioner for Lancashire
PO Box 653

If you are still not satisfied with the decision after review, you may complain to:-

Yours sincerely,

Jane Pearson
