Dear Lewis Deeley

Freedom of Information Act 2000

Your request for information has been considered by Warwickshire County Council under the Freedom of Information Act 2000.

I am writing to advise you that the information you have requested is not held by Warwickshire County Council.

This is because you are seeking information concerning a service which is actioned by the local District and Borough Councils, rather than us as a County Council.

Please see below for further details, and explanation.

You asked us:

I am looking for data on the empty homes list, please can you send over the addresses for all the current empty homes within your district?

We buy houses quickly and want to be able to offer the vendor a solution to this and offer our services. This will also bring back another home in your area for a family to rent or buy, helping with the current housing crises.

There are currently more than 1 million empty homes in the UK, so the more we can fill then we are helping the local councils to solve any housing shortages.

Look forward to hearing from you.

Yours faithfully.

For this information you will need to contact the local District and Borough Councils directly, as they act as the Housing Authorities and are responsible for this service within Warwickshire.

Contact details for these councils are available via their respective websites:
