2) For each centre, please provide the date the centre opened for appointments and, if it has since closed, the last date it was open for appointments.

2a) Please also provide the postcode for the centre.

3) Please provide a list of every Covid-19 testing centre in the health board since March 2020. For clarity, this should include mass testing centres.

4a) Please also provide the postcode for the centre.”

Moray Vaccinations have been carried out at the Fiona Elcock Vaccination Centre, Edgar Road, Elgin IV30 6RP. This centre opened late December 2020 and continues to provide COVID19 vaccinations.

In Aberdeenshire Alford Community Campus AB33 8TY and Ellon Meadows Sports Centre AB41 9QJ COVID-19 Vaccination centres were opened in December 2020 and closed in early February 2021, in order to concentrate both vaccine and immunising staff to the main mass vaccination centres.

In Aberdeen City the P&J Live Arena at The Event Complex Aberdeen AB21 9FX had been used as a mass vaccination centre since December 2020 and closed recently, at the beginning of September 2021.

There have been a number of temporary "pop up" vaccination clinics in Grampian, these have mainly lasted for only a day and were run to meet inequality of access issues, mitigate potential outbreak risks, or to address low vaccination uptake rates in certain "cold spot" areas.

These have included Mobile clinics for the homeless population, a vaccination clinic held at the permanent travellers site at Clinterty Aberdeen, Clinics at The Healthy Hoose Manor Avenue, Aberdeen AB16 7UR, V in the park at Hazelhead Park Cafe, in house vaccinations at fish and food processing plants in Aberdeenshire, Aberdeen City and Moray, Pittodrie football stadium prior to football matches and a pop up clinic in a church where vaccine hesitancy was identified within the congregation.

Temporary COVID-19 vaccination Clinics are also planned for University of Aberdeen and Robert Gordon University students, when students return to the universities later in September 2021.

Below is the list of Aberdeenshire Current COVID 19 vaccination centres, which have been open since December 2020 and continue to provide COVID vaccination services today.

NHS Grampian have run three test drive through sites since March last year - these are for Health and Social Care staff and their families and for patients for pre-operative testing before admission to hospital. These are based at the following addresses

Near Foresterhill Lea Building, Aberdeen Royal Infirmary, Aberdeen AB25 2ZY
Jubilee Hospital, George V Avenue, Huntly, Aberdeenshire, AB54 8EX
Linkwood Medical Centre car park, 2 Thornhill Drive, Elgin, IV30 6GQ

More recently in September this year we have a second Aberdeen Surge site for Health and Social Care symptomatic staff only in Summerfield House car park, 2 Eday Road, Aberdeen, AB15 6RE

There are additional UK Government testing sites in Aberdeen and Moray and a schedule of mobile testing units through Aberdeenshire and parts of Moray. These are run separately to NHS Grampian sites by the Government and we do not have information on them; s.17 of the Act refers – Information not held.
