Dear Mr Pani,

Thank you for your email of 14th September which I can confirm is considered to be a request for information under the Freedom of Information Act (FOIA) 2000. You requested information on the following vehicle:

Military Land Rover Chassis Number: 57105163

A search for the information has now been completed and I can confirm that unfortunately no information in scope of your request is held.

Based on a comparison with other requests it may be that the chassis number supplied is incomplete. If you are able to check this information, or if there is any other detail available, such as the original military registration, please contact us again and I will undertake another search for you.

If you are not satisfied with this response or you wish to complain about any aspect of the handling of your request, then you should contact me in the first instance. If informal resolution is not possible and you are still dissatisfied then you may apply for an independent internal review by contacting the Information Rights Compliance team, 1st Floor, MOD Main Building, Whitehall, SW1A 2HB (e-mail CIO-FOI-IR@mod.uk). Please note that any request for an internal review must be made within 40 working days of the date on which the attempt to reach informal resolution has come to an end.

If you remain dissatisfied following an internal review, you may take your complaint to the Information Commissioner under the provisions of Section 50 of the Freedom of Information Act. Please note that the Information Commissioner will not investigate your case until the MOD internal review process has been completed. Further details of the role and powers of the Information Commissioner can be found on the Commissioner's website, <http://www.ico.gov.uk>.

Yours sincerely,
