Thanks [REDACTED] for getting back to me regarding the 31st May 2020 date.

It looks however, that we might need to explore an alternate date given a possible clash with one of the other Councils – given how challenging the process is proving to be, is there any chance that you could review the various Sundays listed in May and June 2020 – and that you indicate which are currently free and available. Apologies for this request although it's a challenging exercise trying to find a date that works for so many regional parties.

2020 Date Options:

- Sunday May 10th
- Sunday May 17th
- Sunday May 24th (Bank Holiday weekend)
- Sunday May 31st
- Sunday June 7th
- Sunday June 14th
- Sunday June 21st
- Sunday June 28th

Many thanks

Hi [REDACTED]

We've checked that date as far as we possibly can in relation to other Council events etc and it would appear that no other events are planned.

Providing we have a positive outcome from this year's event (so far so good!), I see no reason why we can't plan ahead and look forward to 2020.

Best Regards

Hi [REDACTED] – I trust this mail finds you well and that you had a good long weekend.

Following up my earlier e mail as below, I was wondering if you've had time to check your event diary for 2020 and are able to green light the proposed 2020 Velo date, which is Sunday 31st May 2020.

As you will imagine, trying to find a date that works for all the event stakeholders as well as the NIA is no easy task, hence I'm very much hoping this event will work.

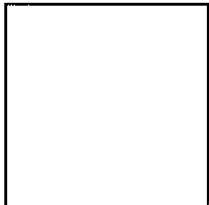

I look forward to hearing from you soon,

Regards

Hello All,

I am writing regarding Velo Birmingham & Midlands and to make you all aware of the proposed date we are working towards for next year's event, which is **Sunday 31st May 2020**.

Our intention is for the start and finish to return to Broad Street and to also use the National Indoor Arena again as our race village HQ.

We are also keen to announce the 2020 date (as well as potentially to go on sale) immediately following the event on May 12th so by copy of this mail, I would be grateful if you could consult your respective event calendars for 2020 to see if this date will work.

If you foresee any challenges, please do make contact ASAP as we have this date confirmed with the NIA as well as the green light from Birmingham County Council.

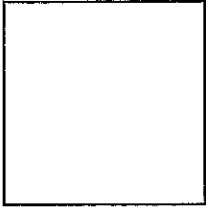

Thank you again for your ongoing commitment and here's hoping that next month's event proves to be a huge success – we are delighted that 17,000 + participants are registered to take part making the second staging of Velo Birmingham & Midlands the second largest cycling in the UK and also a top five event in Europe.

Kind regards,

This is to confirm receipt of your email and access to updated documents.

I will require 4 No Vehicle Passes for entry on to closed roads prior to cyclists arriving as follows: All vehicle will have Beacons and Dudley M B C Livery.

- 1) Civil Parking Enforcement Vehicle
- 2) Highways Operatives – Emergency Repairs and Barriers
- 3) Ditto
- 4) Highways Supervisor

I'll get [REDACTED] to send these on – can you confirm a lead contact and phone number for the passes so that they can be issued?

Previously I had asked about Communications with Residents and Businesses, I am particularly interested in the following premises:

The Cobham Arms Public House – Howley Grange Road.
We were in touch with [REDACTED] on the 18th of December initially.
On the 14th Feb we had a follow up call.
They're getting involved in the event and organising a community event at their pub.
Allenbrook Nursing Home - Spies lane.
Email sent on the 26th March – haven't had a response.
Emailed in the business reminder send at the end of April – haven't had a response.
We are aware of this and should staff attend without notice we can facilitate access from the Spies Lane in course direction co-ordinated through event control.

We inspected the route yesterday and noticed a number of the advanced warning signs had fallen over (we stood-up the ones we came across), they appear to have inadequate sandbags, We contacted the TM Company and

requested they checked all signs and provide additional sandbags. What arrangement are there for the TM companies to regularly check these signs?

I passed this on so hopefully they're stood up. We have teams in the area all week so they should be checking up on these.

Kind Regards

Hi [REDACTED]

Please find second drafts attached below. I have added paragraph 11 to take account of the wording proposed in the email you sent, I've tweaked it from last year and I think it is more comprehensive than their suggestion, so should be ok.

Let me know if you think any amendments are needed, otherwise I will send it to Emily for advertising when you have ok'd it.
