

**FOI: 12205967 Veolia Investigation**

Can you tell me what was the outcome of the investigation that was launched after a whistle-blower raised a number of concerns with the council?

Can you tell me which officer conducted the investigation?

This led to internal investigation by officers within our Public Realm team, who have responsibility for contract management of waste, recycling and cleansing services being carried out by Veolia.

The officer responsible for this investigation, which is on-going is Richard Williams, Business Manager Operational Service, Public Realm Division, Place Directorate.
