Dear Mrs Ritchie,

I am writing in response to your FOI request dated 14 April 2011, in which you asked:

May I please have all the Videos and Productions relating to .N.M.I
Part of an Inquiry into loss of Trident

This request was a repeat of your original request dated 7 March 2011, to which you received a response dated 4 April 2011.

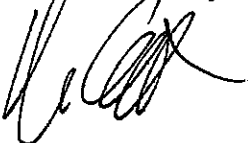

In that response, you were advised that there were no productions that relate to the NMI part of the inquiry that were not already in your possession and, with regard to a video, the Department was not aware of any video footage that exists of the NMI tests.

Nevertheless, you seem convinced that such a video does exist. Whilst I do not think that this is the case, I would be grateful if you could please provide any evidence that you might have to support this belief so that I can investigate the matter further.

Please note that if I do not receive the details requested above within three months from the date of this letter, then I will consider your request closed.

If you wish to discuss any of the above, please contact me. Please quote the reference number above in any future communications.

Yours sincerely,

Nick Court
Head of Maritime Safety and Environment
