Ruth,

I had a meeting yesterday afternoon with [REDACTED] to talk through matters relating to expansion of primary capacity in St Albans, (including reviewing the contribution which might be capable of being made by SHLAA sites etc).

We also discussed secondary capacity and provision - this is, as yet, unsupported by any feasibility work.

There is a need to identify just what potential to expand really exists within the existing schools - all of our best assessments to date, have not been based upon proper feasibility.

In addition, the plans attached below show the broad locations of 4 sites which have been the subject of discussion with [REDACTED] about being potential locations for new secondary schools. Feasibility needs to be carried out to confirm the suitability and deliverability of those sites too.

Would it be possible for you to come in for a meeting with [REDACTED] and [REDACTED] next week so that we can further explain what is required, so that you can then consider an appropriate work plan and fee proposal for our consideration ?

I have checked everyone's diary, and the available dates next week appear to comprise;

25th January pm

27th January 11.30 - 12.30 ?
that is not the case

[REDACTED] your calendars appear to have slots here, please shout if

Thank you in advance Ruth.

regards
