

Reference: FOI 27476 OXF 10Q

Subject: Waiting Times

I can confirm that the CCG does hold some of the information requested; please see responses below:

QUESTION	RESPONSE
<p>I am writing to request data under the Freedom of Information (2000) regarding the length of time between referral and starting treatment for psychological therapies, for patients referred in July 2018. I include in this all talking therapies offered within your service, and all methods of referral.</p> <p>If this data is unavailable, I would like to know the current median average time a patient will spend on a waiting list before receiving psychological therapy.</p>	<p>In TalkingSpace Plus Improved Access to Psychological Therapies (IAPT) Service: 99.2% of people seen within 6 weeks. 99.9% of people seen within 18 weeks.</p> <p>In secondary care average wait is 18 weeks.</p>

The information provided in this response is accurate as of 17 August 2018, and has been authorised for release by Catherine Mountford, Director of Governance for NHS Oxfordshire CCG.
