Response/Digest EIR: 0603

Wrexham County Borough Council does hold some of the information requested.

REQUEST:

1. The amount of waste sent to landfill on an annual basis for the last 6 years.
2. The amount of waste that has been incinerated over the last 6 years.
3. The cost to send waste to landfill per annum over the last 6 years
4. The cost per tonne of waste to landfill
5. Annual waste budgets for the last 6 years

* Information is not held. Although the figures show that some of the waste was landfilled during the last 3 years, as it was landfilled by 3rd parties it is not possible to calculate from the 3rd party disposal cost the amount charged in respect of landfilling i.e. WCBC pays a one off disposal cost to the third party who recycle a proportion of the waste, but some is eventually landfilled. For the same reason, it is not possible to calculate the cost per tonne for question 4 because we have all of the tonneages but not all of the costs.
