Robert,  
Please find attached information regarding a whistleblower disclosure received on Friday 24th October. I have attached:

- a copy of the Audit Commission's PIDA procedures which gives background information and responsibilities under the Act ;
- a summary of the issues raised by the discloser; and
- a copy of the letter sent to the discloser.

You will see from the procedures and the letter to the discloser that we are passing this information to you for consideration in accordance with your statutory and professional requirements.

I am maintaining a database of all whistleblower disclosures received by the Commission and it would be helpful if you could advise me on completion.

I understand from the discloser that xxxx Section 40(3)(a)(i) has been in touch already with your office, either with yourself or one of your team. xxxx Section 40(3)(a)(i) has provided us with some contact details; xxxx Section 40(3)(a)(i) happy to be contacted if you need more information.

If you have any questions please do not hesitate to contact me.

Many thanks,
