

**Weather Stations owned/operated by the Agri-food and Biosciences Institute, Northern Ireland.**

1. The following stations are owned maintained and operated by AFBI(NI) and record weather data for AFBI scientific research:

*Station identifier* : Adcon Weather Stations 13151 and 28861  
*Use* : Forecasting of Potato Blight  
*Location* : AFBI HQ, Newforge Lane, Belfast, BT9 5PX

*Station identifier* : Tipping bucket collector  
*Use* : Measuring rainfall intensity  
*Location* : AFBI Hillsborough, Large Park (CENIT site), Hillsborough, BT26 6DR

*Station identifier* : No station identifier  
*Use* : Reporting to ECN  
*Location* : AFBI Hillsborough, Large Park (Sheep Unit), Hillsborough, BT26 6DR

2. The following stations are owned and maintained by the Met Office, operated by AFBI staff and record daily weather for the Met Office:

*Station identifier* : DCNN 9178  
*Location* : AFBI HQ, Newforge Lane, Belfast, BT9 5PX

*Station identifier* : DCNN 9238  
*Location* : AFBI Hillsborough, Large Park, Hillsborough, BT26 6DR

*Station identifier* : DCNN 9346  
*Location* : AFBI Loughgall, Armagh, BT61 8JB

3. The following stations are owned by the AEA, operated by AFBI staff and record rainfall chemistry for AFBI scientific research:

*Station identifier* : AEA Site code 5149 UK ADMN  
*Location* : AFBI Hillsborough, Large Park (Hillsborough Forest, CENIT site), Hillsborough, BT26 6DR

*Station identifier* : AEA Site code 5155 UK ADMN  
*Location* : Beagh's Burn, Cushendun, BT44 N.I.

4. The following station is rented by AFBI from Plant Systems, operated by AFBI staff and records weather data for AFBI scientific research on the prediction of Apple Scab disease:

*Station identifier* : No station identifier

*Location* : AFBI Loughgall, Armagh, BT61 8JB

*Acronyms:*

*AFBI* : *Agri-Food and Biosciences Institute (NI)*

*DCNN* : *Daily Climatological Network Number*

*ADMN* : *Acid Deposition Monitoring Network*

*AEA* : *Atomic Energy Authority*

*ECN* : *Environmental Change Network*
