Dear Ben Yates

**Re: Your request for information: Ref No. 400592**

Thank you for your request for information that was received on 28 May 2014. Once again please accept our apologies for the delay in providing the attached information. You requested:

**Please provide a listing of individual visits to web sites visited from computer stations attached to the Council and network as well as devices connected to third-party networks but over which the Council have responsibility for.**

**I understand it may not be possible to provide other information associated with it but the information requested should include at the minimum the sites web address/url visited and if possible date and time of visit.**

**I am happy for the information to be raw data or you may group sites with multiple visits together and issue a count as opposed to individual hits.**

Please see attached Excel spreadsheet.
