Dear Mr Dobson

Freedom of Information Act 2000

I am writing to confirm that the Northern Ireland Assembly holds some of the information which you requested on 13 February 2015. In your request you asked for the following information:

“In response to this Freedom of Information request please provide a listing of all websites accessed by Northern Ireland Assembly staff during the period 1 January to 31 January 2015.

The listing should disclose both business related website visits and websites visited by staff for non-business reasons .

In addition to the listing of websites visited please also disclose:

- a) Date and time of each website visit; and
- b) Duration of each such website visit

Note: Where the website visited did not return a domain name the IP address of the website should be disclosed.

When responding please also disclose a copy of the N Ireland Assembly Staff ICT Acceptable Use Policy.”

Please find the information requested attached at **Appendix A**. Please note, our current reporting tool cannot provide the date and time or duration of the visit and provides a maximum of 10,000 results. It is not possible to differentiate between staff and non-staff activity, therefore the report details website access for all users. I

attach a copy of the Policy for the Use of IT Resources (Secretariat staff) at
Appendix B.

If you feel that the information we have provided does not meet your request fully please contact this office as soon as possible. You have the right to request a formal review by the Northern Ireland Assembly and if you wish to do so, please write to me at the above address.

If after such an internal review you are still unhappy with the response, you have the right to appeal to the Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire SK9 5AF who will undertake an independent review.

If you have any queries about this letter, please contact me. Please remember to quote the reference number above.

Yours sincerely

Martina Dalton
