Dear Claire

Freedom of Information Request

Further to your email dated and received by the Trust on 22nd June 2011, our response is as follows (highlighted in blue):

- *Date of the next tender for the "Collection and Disposal of WEEE (Waste Electrical and Electronic Equipment) and Batteries.*

The Estates directorate have just completed a tender exercise for general waste including WEEE. At present, the mandatory standstill period is in place. Once this period is over we can advise who is included within the lots for WEEE waste. The contract award is for a 3 year period + 1 year extension. Please note battery disposal is an ad-hoc collection service due to minimal quantities. We therefore exempt supply of this information under Section 22 of the Freedom of Information Act 2000 - Future Publication.

- *Also a copy of the previous successful tender for the collection and disposal of WEEE.*

The value of the last WEEE contract was approximately £6350 for the last 3 years.

This completes the Trust response to your request, but please note:
