Dear Julie Thompson,

**Re: Freedom of Information Act 2000
Western Cheshire IAPT**

Thank you for your information request indicated in bold below, which has now been considered under the Freedom of Information Act 2000 by NHS Cheshire Clinical Commissioning Group (CCG). I am able to provide you with the following information and responses.

Please note from 01 April 2020, NHS Eastern Cheshire CCG, NHS South Cheshire CCG, NHS Vale Royal CCG and NHS West Cheshire CCG merged to form NHS Cheshire CCG.

You asked:

I would be grateful if you could provide the following information relating to the above contract;

1) Contract Start & End Dates (including any extensions) If within extension period, what is the end date of these

2) Contract Value

3) Current Provider

Our response:

1 – 3) NHS Cheshire CCG currently commissions Cheshire & Wirral Partnership NHS Foundation Trust (CWP) to provide IAPT services to the West Cheshire locality. NHS Cheshire CCG does not hold information for the specific cost of the IAPT service provided by CWP, as this service is commissioned as part of a wider block contract for range of mental health services and does not currently have a contract duration specified.

If you have any queries or concerns, wish to request a review of our response or are unhappy with the service you have received in relation to this Freedom of Information request, please do not hesitate to contact the Freedom of Information Requests team; details provided at the top of this letter.

If you request a review of our response and are not content with the subsequent outcome, you may apply directly to the Information Commissioner for a decision. Generally, the Information Commissioner cannot make a decision unless you have exhausted the Freedom of Information review procedure provided by NHS Cheshire Clinical Commissioning Group.

The Information Commissioner can be contacted at:

The Information Commissioner's Office
Wycliffe House

Yours sincerely
