Dear Mr Dunn

Request for a link to online safeguarding policy

Thank you for your request dated 15 June in which you asked for the following information from the Ministry of Justice (MoJ):

'The safeguarding Policy document you have sent is in a strange format, broken sentences etc. I would like a link to read it, I am assuming it is available to the Public.'

As this was a FOI request I am assuming that there is no problem sharing it on social media and possibly mainstream media, as I think the Public will want to know this can happen to them, it is a very scary thought, especially as Dementia is at epidemic levels according to the mainstream media.'

The safeguarding policy document has reference to links to online documents on page 2 with a document reference SD8.

For ease please see the following link which will take you directly to the safeguarding document:

<https://www.gov.uk/government/publications/safeguarding-policy-protecting-vulnerable-adults>.

This is a public document available to anyone with access to the internet. If a paper copy is required OPG can supply this if requested.
