Hi both,

Thanks for your time this afternoon, very useful and pleased we've been able to confirm next steps.

As discussed, Andrew – please find attached final version of the Data Sharing Agreement for your signature.

If you can sign & return, we'll then get Chris' signature added and returned to yourselves by email.

The actual excel file will follow separately via EGRESS for Julie's attention.

Warm regards,

[REDACTED]

Subject: Meeting Tomorrow [RC-ACTIVE.FID587026]

Hi [REDACTED]

Just a couple of points ahead of our meeting tomorrow:-

1. We anticipate resources will be in place for this project week commencing 12 July. It would be really helpful if, as soon as the Agreement is signed off (hopefully this week) the data can be shared via Egress reasonably quickly to enable me to arrange delivery of the relevant boxes from Iron Mountain.
2. I noted from the Missing Data Template tabs that one of the requests for information stated:-

Data in his files. HIV amounts/dates taken from remittance slips but the date of MSPT1 is missing from the scanned image

Does this mean that EIBSS has received the scanned historic file from Skipton Fund? If so, how many of the 197 does this apply to?

I attach the DSA and for final discussion/sign off at the meeting tomorrow.

Many thanks

Kind regards
