Subject: Engagement with parents in widening participation and outreach activity

REQUEST

My request is regarding your widening participation and outreach activities, specifically those related to working with and engaging parents. I am asking for this information to support a research project into parental engagement in higher education.

Please send me a list of any outreach programmes or activities currently delivered by the university or by partners of the university in which the programme directly with parents. Please provide this information as an Excel or CSV file, using one activity/programme per row, with columns for:

1. The name of the activity
2. Which external partner, if any, you worked with to deliver the activity
3. The aims of the activity
4. The key features of the activity e.g. delivery methods, format of sessions, partners
5. The duration of the activity
6. The number of parents reached through the activity in the last 12 months
7. Methods used to recruit parents to the programme
8. Whether particular groups of parents were targeted (e.g. by ethnic group, socio-economic status, level of education)
9. Any evidence of the programme's success, including how success was defined and measured

I would like the above information to be provided to me in electronic format, as an Excel or CSV file.
