<p>1 How many individuals in the care of Wigan Youth Justice have a gang-involved/gang issues label attached to their file, in your records?</p> <p>2 For each individual subject to a gang-involved/gang issues label in their Wigan Youth Justice file, I would like the following information:</p> <p>2a The age of the individual (this could be presented as a list to ensure that each individual entry remains anonymised, i.e. 20 individuals aged 17, 6 aged 18, 22 aged 19 etc)</p> <p>2b How many of the individuals listed as 'gang-nominals' are males, and how many are females</p> <p>2c The ethnicity of the individual (again this can be presented as a list, i.e. 40 black, 30 white etc)</p> <p>2d The individual's risk of harm classification (again this can be presented as a list, i.e. 10 very high, 30 high etc)</p> <p>2e Has the individual been convicted of a violent offence? (this can again be presented as a list as suggested above)</p>	<p>The Council does not record this information.</p>
