Hi [REDACTED]

Thank you for thinking of us. Yes I am sure this will be fine, subject to the date and time of the meeting. Perhaps you could let me know.

Just to let you know that the Wellbeing Steering Group are working on a Venue Hire policy that will come in to force in due course and does include a hire charge for organisations with an income over £10k per year. There is discretion around that and, certainly for this meeting, there won't be any charge payable. We can worry about future arrangements in due course!

Let me have a date and we can sort out paperwork and arrangements from there.

I was wondering if the offer is still available to make use of your space at The Wilson?

This would be for a meeting for a family of three victim's with their support worker.

Hi all

Meeting venue now changed to The Wilson hospital. If you come to the main Reception, I can meet you there.

I am aware that there are mental health services based at The Wilson currently and a load of uniformed police arriving in a marked car might be a bit of a worry for some! May just be helpful for you to be aware of the client group that may be around ...

See you on 15th at 2pm.

Hi all

Great - I think we may have consensus:

15 August at 2pm.

PLEASE PUT THIS IN YOUR DIARY.

I'm assuming that we will meet at [REDACTED] but please advise if this is incorrect. Alternatively, we could meet at The Wilson if that would be helpful and you can see the space that we are planning to use. Let me know what you would prefer.

Many thanks and look forward to meeting you all then.

The date in which we both could attend would be the 15th August after 11am if that is suitable?

Would this date be doable for you also Pat?

Thank you

Hi

Thanks for letting us know. Totally understand. Shall we see what [REDACTED] and [REDACTED] come back with in response to your email?

Hi

Am pleased to hear that you are back at work now.

It would be great if we could meet with both you and [REDACTED] at the same time.

Unfortunately, Thursday this week isn't going to work for us.

Any days the following week that you are both on duty and could meet?

Thanks.

Hi [REDACTED]

Ah. Thanks for letting us know about [REDACTED] I hope she is feeling better and back at work soon.

Unless [REDACTED] is likely to be off for some time, I am thinking that it may be more time-efficient for us all to meet together once [REDACTED] is back at work, particularly as she is the local PC for The Wilson locality?

Would that be OK with you? Any idea how long [REDACTED] is likely to be off work?

Thanks so much.

Hi [REDACTED]

Thank so much for getting back to me.

My colleague Mike Robinson (from Public Health) and I have a meeting at [REDACTED] School at 1pm on Monday 1 July.

Don't suppose you could do before that could you? Maybe 11.30 on Monday or something like that?

Hi [REDACTED]

I am working for Merton CCG, supporting the development of wellbeing services and activities at The Wilson.

We have been given your name by [REDACTED] as a key person within the local Wilson community with whom we should speak! This is both in relation to planning for services within the new building as well as plans that are currently getting underway to use space within the existing building and grounds ahead of the development work starting.

It would be great if I could arrange to meet with you, along with my colleague Mike Robinson from Public Health, to bring you up to speed and to see how we can work together for the benefit of the community. Are there any particular days or times in the week that suit you better when we could arrange to meet for a coffee? Perhaps you could let us know.

In the meantime, we have been working with [REDACTED] at [REDACTED] and [REDACTED] at the [REDACTED] [REDACTED] to develop a process with and for the community (individuals and organisations) to come together in a representative group to take responsibility for developing Wilson wellbeing services. The group will be called the Wilson Wellbeing Steering Group and the process to identify group members (through application and nomination) is currently underway. The closing date is 30 June. [REDACTED] are hosting the process and the link to the information and documentation can be found here: [REDACTED]
[REDACTED]

This may be of interest to you and/or to people you know within the community.

Please do let us know when you would like to meet - it will be great to spend a little time talking about how we might best work together. You may also have some ideas for use of the proposed space within the existing building that is going to be available for the next c12 months and we can show you what is available.

With thanks.
