I wondered if we should suggest promoting the Wilsonwellbeing brand a bit more – I cant remember if there were any hesitations expressed at the comms group?

Subject: Social Prescribing Event - Feedback

Hi all

Hope you are having a good week so far. Well done [REDACTED] and [REDACTED] for tree planting yesterday!

As I'm sure you all know, 12th March is Social Prescribing Day and we are planning a celebration event.

Before anything goes out (which we need to do asap!), we wanted to get your feedback on the invite and agenda which is attached (ignore the booking URL as this will live after I get your feedback).

We also wanted to get your ideas on having some sort of Social Prescribing stamp/logo that we can use on social media, on promotional material, on our websites etc. I have designed 3

options. Do you like any and are you happy for us to start using this? If you don't like any...I wont take it personally.

Look forward to hearing from you all.
