**Subject:** Re: Social Prescribing Event - Feedback

Hi [REDACTED]

Thanks for this.

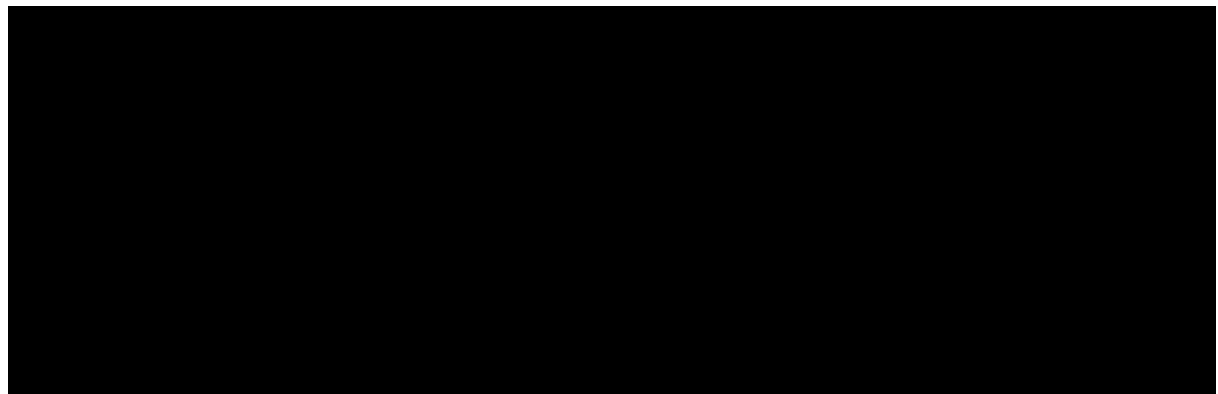

I've attached 3 comments to the invite and agenda with some thoughts and feedback. Need to change the address wording plus some thoughts about whether it's appropriate to include reference to the Wilson Wellbeing context, at least for the Mitcham community and social prescribing there. Would be good to raise the profile.

Not sure I should be having a say really but ...I like all the logos you have come up with. The one with the script writing sits alongside the Wilson branding quite well.

I attach a JPEG version for you. Not sure what your thoughts are around a banner and branding?

Hope this helps.

The logo for Wilson Wellbeing features the word "Wilson" in a large, purple, cursive script font, with the word "Wellbeing" in a smaller, purple, sans-serif font directly beneath it.
