Hi [REDACTED]

Thank you for getting back to me so quickly.

Yes, happy to add your logo on the flier - thanks again for hosting us! I have some questions about the venue in regards to setting up on the day...but will get back to you separately on this.

[REDACTED] is due to speak about Wilson Wellbeing so this will be covered in the welcome and open speeches.

Hi [REDACTED]

Thanks for this.

I've attached 3 comments to the invite and agenda with some thoughts and feedback. Need to change the address wording plus some thoughts about whether it's appropriate to include reference to the Wilson Wellbeing context, at least for the Mitcham community and social prescribing there. Would be good to raise the profile.

Not sure I should be having a say really but ...I like all the logos you have come up with. The one with the script writing sits alongside the Wilson branding quite well.

I attach a JPEG version for you. Not sure what your thoughts are around a banner and branding?

Hope this helps.
