■■■■ has been told there is no money to pay for her as now 2d/week, from 1 April

Apparently it is ■■■■ who is saying this

Andy has suggested a paper goes to EMT proposing to transfer some year end money to MVSC, and ■■■■ is contracted through them

■■■■ is discomforted by the short notice; the Wellbeing initiative is not yet strong enough to survive without her

I suspect this is merger chaos rather than conspiracy and expect Andy will sort it out but thought you ought to know

■■■■ has requested the infomatoin is shared only on a need-to-know basis

**Subject:** Conference call - Finance!

Hi all

As the original Exec Group, please could we have a conference call (as urgently as we can do) so I can update you on the financial position around Wilson Wellbeing and the proposed plan.

I'm going to set up a Doodle Poll and will send you the link (separately) for you to let me know when you might be available. 30 mins max.

Muchly thanks.
