Introductory note

This introductory note does not form a part of the notice.

The following notice gives notice of the variation of an environmental permit.

Existing Waste Management Licence varied to extend the site area and to allow the mechanical processing of treated wooden packaging and wood although these materials must not be composted.

The Schedules specify the changes made to the original permit.

Schedule 1 of the notice lists any conditions that have been deleted, Schedule 2 of the notice lists any amended conditions and Schedule 3 of the notice lists any conditions that have been added.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
