

Covid-19 Rapid Response DPF
Date: 27th March 2020

Chair: ^{1.1} [REDACTED]

^{1.2} Present: [REDACTED]
^{1.3} [REDACTED]

Item 1: External Skype/video capability	ID: 69, 82, 90, 122, 138, 213
Outline: Various proposals to exploit external Skype or other external video solutions for the purposes of recruitment/customer interviews.	
Decision: DPF Approve the team to conduct further assessment into the use cases and solutions including whether Skype is a workable option. The basis of any further approval will be on agreeing one solution to meet the overall ask. Team to bring back the assessment to DPF through DA for a decision early next week.	

Item 2: Emergency Payments to legacy customers	ID: 147, 198
Outline: In the event Covid-19 having a negative effect on the economy there may be a requirement for a generic solution for getting quick, additional payments to current DWP claimants. This is a live request for getting additional payments to current DWP customers on legacy benefits. Namely, ESA, JSA and Income Support. The proposal is to re-use/re-purpose existing components of Seasonal Payments solution and to expedite delivery of the CIS integration component to complete the end to end payment journey.	
Decision: DPF approve this work including prioritising accelerating integration with CPS. The link ^{1.4} payments item, 'Get a Regular Payments Service' approved at DPF on 25/03 requires resources to deliver. ^{1.5} will speak to [REDACTED] to identify whether this is possible, on the understanding that without the timely acquisition of the required resource Get a Regular Payments Service will be de-prioritised.
