Hi all

With a heavy heart I am resigning from my position of Chair and as a Councillor.

I think what we've achieved in the last 6 months is phenomenal and will continue to support you all but I can't continue due to a variety of factors.

I will call you over the next few days and talk to you in person as I feel terribly guilty leaving but I have no alternative [REDACTED].

Many thanks Marie

Hi Gill and Tracey

I'm very sorry to have to tell you that I am going to resign from DPC. This has been a hard decision for me because I have enjoyed being part of the team and have been pleased to be involved in its revival and development.

The problem is that family [REDACTED] I am finding it [REDACTED]!

As you know my initial intention was to be a councillor until such time as DPC was back on an even keel and functioning effectively. Thanks to the hard work and commitment of you two, we suddenly appear to have reached that point! Gillian, Howie and Cara have brought great enthusiasm and a wide range of skills to the council and I am hopeful that Steven will add a further dimension.

Rather than me carrying on as a lame duck councillor I think it would be much better if you co-opted someone like Keith Protheroe who contributes so much to the village and is very well respected; but that of course would not be a matter for me.

I feel as though I am letting you down, but I know I'm doing what I need to do for myself and my family. [REDACTED] I'll also write to the other councillors.

Thank you for all the wonderful work you do.

Ken
