Secure access to relevant datasets Grant strategy for Year 1, application and assessment process agreed and codified Delivery partner trained in grant processes Application assessment framework agreed Agree focus area of first funding round Agree grant strategy for year 2 Identify evidenced programmes working at scale Fast track programmes shortlisted Implementation support and evaluation planning Support to maximise deliverability and impact Fast track Grants committee Projects launch, instalments paid out Pillot Thematic Fund Round launched Applicant workshops on impactful delivery Round closed and applicants shortlisted Grantee implementation and evaluation planning Grantee support to boost deliverability/impact Thematic Round Grant Committee Projects launch, instalments paid out Pathfinder project: identify initial hotspots Support Pathfinder area(s) to form partnership, map provision, identify gaps and define strategy Launch strategy including bringing in evidenced interventions to plug gaps	•						
Grant strategy for Year 1, application and assessment process agreed and codified Delivery partner trained in grant processes Application assessment framework agreed Agree focus area of first funding round Agree grant strategy for year 2 Identify evidenced programmes working at scale Fast track programmes shortlisted Implementation support and evaluation planning Support to maximise deliverability and impact Fast track Grants committee Projects launch, instalments paid out Pilot Thematic Fund Round launched Applicant workshops on impactful delivery Round closed and applicants shortlisted Grantee implementation and evaluation planning Grantee support to boost deliverability/impact Thematic Round Grant Committee Projects launch, instalments paid out Pathfinder project: identify initial hotspots Support Pathfinder area(s) to form partnership, map provision, identify gaps and define strategy Launch strategy including bringing in evidenced interventions to plug gaps							
assessment process agreed and codified Delivery partner trained in grant processes Application assessment framework agreed Agree focus area of first funding round Agree grant strategy for year 2 Identify evidenced programmes working at scale Fast track programmes shortlisted Implementation support and evaluation planning Support to maximise deliverability and impact Fast track Grants committee Projects launch, instalments paid out Pilot Thematic Fund Round launched Applicant workshops on impactful delivery Round closed and applicants shortlisted Grantee implementation and evaluation planning Grantee support to boost deliverability/impact Thematic Round Grant Committee Projects launch, instalments paid out Pathfinder project: identify initial hotspots Support Pathfinder area(s) to form partnership, map provision, identify gaps and define strategy Launch strategy including bringing in evidenced interventions to plug gaps							
Delivery partner trained in grant processes Application assessment framework agreed Agree focus area of first funding round Agree grant strategy for year 2 Identify evidenced programmes working at scale Fast track programmes shortlisted Implementation support and evaluation planning Support to maximise deliverability and impact Fast track Grants committee Projects launch, instalments paid out Pilot Thematic Fund Round launched Applicant workshops on impactful delivery Round closed and applicants shortlisted Grantee implementation and evaluation planning Grantee support to boost deliverability/impact Thematic Round Grant Committee Projects launch, instalments paid out Pathfinder project: identify initial hotspots Support Pathfinder area(s) to form partnership, map provision, identify gaps and define strategy Launch strategy including bringing in evidenced interventions to plug gaps							
Application assessment framework agreed Agree focus area of first funding round Agree grant strategy for year 2 Identify evidenced programmes working at scale Fast track programmes shortlisted Implementation support and evaluation planning Support to maximise deliverability and impact Fast track Grants committee Projects launch, instalments paid out Pilot Thematic Fund Round launched Applicant workshops on impactful delivery Round closed and applicants shortlisted Grantee implementation and evaluation planning Grantee support to boost deliverability/impact Thematic Round Grant Committee Projects launch, instalments paid out Pathfinder project: identify initial hotspots Support Pathfinder area(s) to form partnership, map provision, identify gaps and define strategy Launch strategy including bringing in evidenced interventions to plug gaps							
Agree focus area of first funding round Agree grant strategy for year 2 Identify evidenced programmes working at scale Fast track programmes shortlisted Implementation support and evaluation planning Support to maximise deliverability and impact Fast track Grants committee Projects launch, instalments paid out Pilot Thematic Fund Round launched Applicant workshops on impactful delivery Round closed and applicants shortlisted Grantee implementation and evaluation planning Grantee support to boost deliverability/impact Thematic Round Grant Committee Projects launch, instalments paid out Pathfinder project: identify initial hotspots Support Pathfinder area(s) to form partnership, map provision, identify gaps and define strategy Launch strategy including bringing in evidenced interventions to plug gaps							
Agree grant strategy for year 2 Identify evidenced programmes working at scale Fast track programmes shortlisted Implementation support and evaluation planning Support to maximise deliverability and impact Fast track Grants committee Projects launch, instalments paid out Pilot Thematic Fund Round launched Applicant workshops on impactful delivery Round closed and applicants shortlisted Grantee implementation and evaluation planning Grantee support to boost deliverability/impact Thematic Round Grant Committee Projects launch, instalments paid out Pathfinder project: identify initial hotspots Support Pathfinder area(s) to form partnership, map provision, identify gaps and define strategy Launch strategy including bringing in evidenced interventions to plug gaps							
Identify evidenced programmes working at scale Fast track programmes shortlisted Implementation support and evaluation planning Support to maximise deliverability and impact Fast track Grants committee Projects launch, instalments paid out Pilot Thematic Fund Round launched Applicant workshops on impactful delivery Round closed and applicants shortlisted Grantee implementation and evaluation planning Grantee support to boost deliverability/impact Thematic Round Grant Committee Projects launch, instalments paid out Pathfinder project: identify initial hotspots Support Pathfinder area(s) to form partnership, map provision, identify gaps and define strategy Launch strategy including bringing in evidenced interventions to plug gaps	Agree focus area of first funding round						
Fast track programmes shortlisted Implementation support and evaluation planning Support to maximise deliverability and impact Fast track Grants committee Projects launch, instalments paid out Pilot Thematic Fund Round launched Applicant workshops on impactful delivery Round closed and applicants shortlisted Grantee implementation and evaluation planning Grantee support to boost deliverability/impact Thematic Round Grant Committee Projects launch, instalments paid out Pathfinder project: identify initial hotspots Support Pathfinder area(s) to form partnership, map provision, identify gaps and define strategy Launch strategy including bringing in evidenced interventions to plug gaps	Agree grant strategy for year 2						
Implementation support and evaluation planning Support to maximise deliverability and impact Fast track Grants committee Projects launch, instalments paid out Pilot Thematic Fund Round launched Applicant workshops on impactful delivery Round closed and applicants shortlisted Grantee implementation and evaluation planning Grantee support to boost deliverability/impact Thematic Round Grant Committee Projects launch, instalments paid out Pathfinder project: identify initial hotspots Support Pathfinder area(s) to form partnership, map provision, identify gaps and define strategy Launch strategy including bringing in evidenced interventions to plug gaps	Identify evidenced programmes working at scale						
Support to maximise deliverability and impact Fast track Grants committee Projects launch, instalments paid out Pilot Thematic Fund Round launched Applicant workshops on impactful delivery Round closed and applicants shortlisted Grantee implementation and evaluation planning Grantee support to boost deliverability/impact Thematic Round Grant Committee Projects launch, instalments paid out Pathfinder project: identify initial hotspots Support Pathfinder area(s) to form partnership, map provision, identify gaps and define strategy Launch strategy including bringing in evidenced interventions to plug gaps	Fast track programmes shortlisted						
Fast track Grants committee Projects launch, instalments paid out Pilot Thematic Fund Round launched Applicant workshops on impactful delivery Round closed and applicants shortlisted Grantee implementation and evaluation planning Grantee support to boost deliverability/impact Thematic Round Grant Committee Projects launch, instalments paid out Pathfinder project: identify initial hotspots Support Pathfinder area(s) to form partnership, map provision, identify gaps and define strategy Launch strategy including bringing in evidenced interventions to plug gaps	Implementation support and evaluation planning						
Projects launch, instalments paid out Pilot Thematic Fund Round launched Applicant workshops on impactful delivery Round closed and applicants shortlisted Grantee implementation and evaluation planning Grantee support to boost deliverability/impact Thematic Round Grant Committee Projects launch, instalments paid out Pathfinder project: identify initial hotspots Support Pathfinder area(s) to form partnership, map provision, identify gaps and define strategy Launch strategy including bringing in evidenced interventions to plug gaps	Support to maximise deliverability and impact						
Pilot Thematic Fund Round launched Applicant workshops on impactful delivery Round closed and applicants shortlisted Grantee implementation and evaluation planning Grantee support to boost deliverability/impact Thematic Round Grant Committee Projects launch, instalments paid out Pathfinder project: identify initial hotspots Support Pathfinder area(s) to form partnership, map provision, identify gaps and define strategy Launch strategy including bringing in evidenced interventions to plug gaps	Fast track Grants committee						
Applicant workshops on impactful delivery Round closed and applicants shortlisted Grantee implementation and evaluation planning Grantee support to boost deliverability/impact Thematic Round Grant Committee Projects launch, instalments paid out Pathfinder project: identify initial hotspots Support Pathfinder area(s) to form partnership, map provision, identify gaps and define strategy Launch strategy including bringing in evidenced interventions to plug gaps							
Round closed and applicants shortlisted Grantee implementation and evaluation planning Grantee support to boost deliverability/impact Thematic Round Grant Committee Projects launch, instalments paid out Pathfinder project: identify initial hotspots Support Pathfinder area(s) to form partnership, map provision, identify gaps and define strategy Launch strategy including bringing in evidenced interventions to plug gaps							
Grantee implementation and evaluation planning Grantee support to boost deliverability/impact Thematic Round Grant Committee Projects launch, instalments paid out Pathfinder project: identify initial hotspots Support Pathfinder area(s) to form partnership, map provision, identify gaps and define strategy Launch strategy including bringing in evidenced interventions to plug gaps							
Grantee support to boost deliverability/impact Thematic Round Grant Committee Projects launch, instalments paid out Pathfinder project: identify initial hotspots Support Pathfinder area(s) to form partnership, map provision, identify gaps and define strategy Launch strategy including bringing in evidenced interventions to plug gaps							
Thematic Round Grant Committee Projects launch, instalments paid out Pathfinder project: identify initial hotspots Support Pathfinder area(s) to form partnership, map provision, identify gaps and define strategy Launch strategy including bringing in evidenced interventions to plug gaps							
Projects launch, instalments paid out Pathfinder project: identify initial hotspots Support Pathfinder area(s) to form partnership, map provision, identify gaps and define strategy Launch strategy including bringing in evidenced interventions to plug gaps							
Pathfinder project: identify initial hotspots Support Pathfinder area(s) to form partnership, map provision, identify gaps and define strategy Launch strategy including bringing in evidenced interventions to plug gaps							
Support Pathfinder area(s) to form partnership, map provision, identify gaps and define strategy Launch strategy including bringing in evidenced interventions to plug gaps	, , ,						
map provision, identify gaps and define strategy Launch strategy including bringing in evidenced interventions to plug gaps	. , , , , , , , , , , , , , , , , , , ,
