Dear Mr Peleszok,

### **Information Request: FR7158b**

Thank you for your Freedom of Information request dated 21<sup>st</sup> March 2017, received by us on 22<sup>nd</sup> March 2017. Your request has been dealt with under the Freedom of Information Act and is detailed below in italics.

(Please note the extract below has been taken directly from your original information request and is unedited).

*Thank you for the reply. I see the score was 88 points, can you confirm out of how many points in total. Also, where this ranked the need for work and whether NCC would have undertaken the work in the next financial year without DTC funding the work.*

### **Our Response**

The Freedom of Information Team has been provided with the following information in response to your recent request on behalf of Northamptonshire County Council (NCC).

**The maximum theoretical score using the model is 2,379 points. The scheme (without third party funding) is currently ranked 11. There is a possibility that NCC could undertake this work in the next financial year without NCC funding, however there are a number of factors that could affect this including the cost of higher ranked schemes, third party funding and consultation outcomes.**
