| Derby City Council – Freedom of Information Response |
| Number 14688 |
| Date 02/12/2020 |

Zoos are defined by the Zoo Licensing Act 1981 as "an establishment where wild animals are kept for exhibition to the public otherwise than for the purposes of a circus and otherwise than in a pet shop"

Please could you provide the following documents in relation to all zoos within your jurisdiction;

| | |
|---|--|
| 1. The most recent inspection report | We do not have any Zoos within our jurisdiction. |
| 2. The most recent stocklist | See Q1. |
| 3. Any mortality lists and/or post-mortem results that may be available | See Q1. |
| If applicable, please also provide: 4. Details of instances where a zoo licence has been revoked or an application for licence renewal has been refused, within the last six years | See Q1. |

Please note, the following applies, if the response includes council officers (or other officers) names.

If you are a company that intends to use the names and contact details of council officers (or other officers) provided for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference. You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this Link www.ico.org.uk

For the avoidance of doubt the provision of council (and other) officer names and contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.
